

# Welcome to Olifants

**Kruger  
NATIONAL PARK**

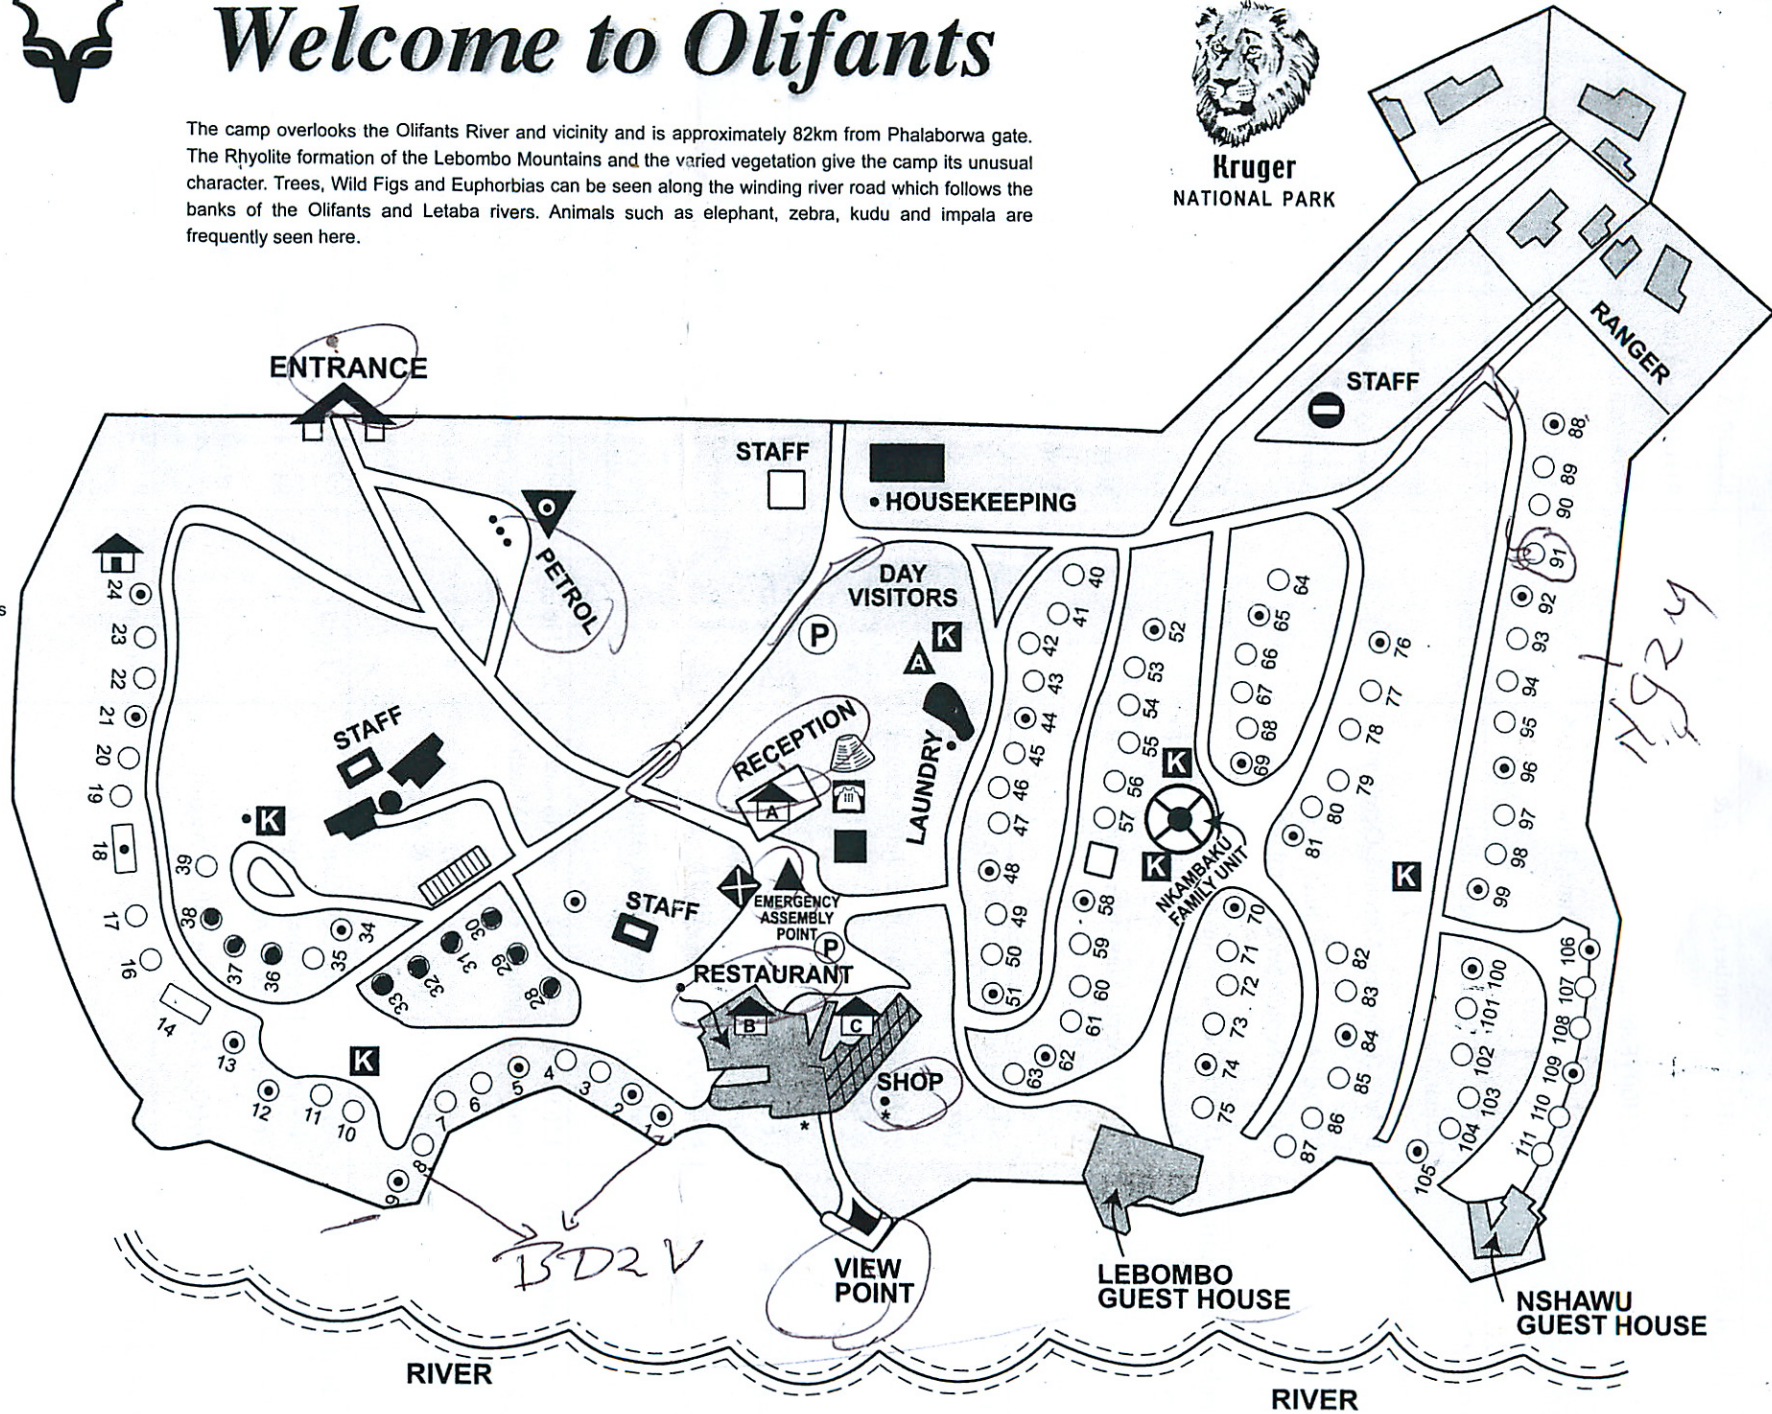

The camp overlooks the Olifants River and vicinity and is approximately 82km from Phalaborwa gate. The Rhyolite formation of the Lebombo Mountains and the varied vegetation give the camp its unusual character. Trees, Wild Figs and Euphorbias can be seen along the winding river road which follows the banks of the Olifants and Letaba rivers. Animals such as elephant, zebra, kudu and impala are frequently seen here.
